LaTeX Example

Steven Palmer

January 15, 2017

1 This is a section

We can write some text here.

1.1 This is a subsection

More text.

1.2 This is a another subsection

Some more text.

1.2.1 This is a subsubsection

Some more text.

2 Lists

2.1 Bullet Points

- first item
- second item
- etc.

2.2 Numbered Lists

1. first item
2. second item
3. etc.

3 Tables

Now we will see how to make a table. Once we create a table we can refer to it using the label we gave it. See Table 1.

Heading 1	Heading 2	Heading 3
abc	one	123
def	two	456
hij	three	789

Table 1: Example table.

4 Figures

Now we will see how to make a figure. Once we create a figure we can refer to it using the label we gave it. See Figure 1.

Figure 1: Example figure.
