

Model.Weapon

```
classDiagram
    class Model.Weapon
    class Model.BronzeBow
    class Model.BronzeSword
    class Model.Fireball
    Model.BronzeBow --|> Model.Weapon
    Model.BronzeSword --|> Model.Weapon
    Model.Fireball --|> Model.Weapon
```

The diagram illustrates a class hierarchy. At the top is the 'Model.Weapon' class. Below it are three subclasses: 'Model.BronzeBow', 'Model.BronzeSword', and 'Model.Fireball'. A horizontal line connects the three subclasses, and a vertical arrow points from the center of this line up to the 'Model.Weapon' class, indicating that all three subclasses inherit from the 'Model.Weapon' base class.

Model.BronzeBow

Model.BronzeSword

Model.Fireball
